

### Richmond Ravens Score Keeper Instructions

Tablets will be set-up with game number and hockey ID numbers.

The clipboard will have a **SCRATCHPAD GAMESHEET**. Please <u>write down</u> every goal and penalty on the scratchpad, so we have a backup of the game information, in case the tablet fails us.

When a goal or penalty happens, write down the time first so you don't miss it.

Fill in the Scorekeeper and Timekeeper's names, then "NEXT". Press "START GAME" at the top corner.
